Some time ago I had an attack of grippe, which finally settled in my kid-Horace Hovan, Under Arrest in Germany, Known Here as a Sneak Years Ago.

Older citizens, and especially those on the police force, easily recall Horace Hovan, sixty three years old, new under arrest in Munich, Germany, charged with stealing 4e,000 marks from a bank cashler. Hovan, many years ago, lived in Richmond and was known as a sneak thief. He developed his criminal tidents and became a notorious bank thief.

Hovan was arrested in Clemans. I doctored with the doctored with the doctors and they claimed I had dropsy. I tried other remedies and got no relicf from any of them. My condition was such that I was unable to work for such that I was hardly able to turn over in bed. Seeing one of your Almanes, I decided to give Dr. Kilmer's Swamp-Root a trial, and after taking several bottles was able to resume my work again. Leannot say too much in praise of your Swamp-Root, as the results in my case were truly wonderful.

Although opposition has not been slow in expressing itself, the measure stands more than an even chance of getting the Finance Committee's approval. In the course of hearings held by the Public Utilities Committee it was brought out that the present City Home, by reason of its antiquated building, can hever be made to perform the hospital service to which a city of Richmond's importance is entitled.

The plan gains strong support from the growing feeling that the city ean-not much longer continue to conduct jointly its hospital and almshouse. The union of these two municipal functions, it is conceded, is wholly illegical and seriously impairs the usefulness of the city hospital. Cases were cited in the course of public hearings in the mat-
